

Discover the art of the possible with Ultima and Microsoft Copilot Studio

Discover the full potential of Microsoft Copilot Studio
in three simple phases

Explore the transformative possibilities of Microsoft Copilot Studio

Our Copilot Studio Vision & Value is a three-phase engagement that's funded by Microsoft and designed to show how eligible customers like you can transform your business with a few key concepts and next-generation AI capabilities embedded into your teams' daily workflows.

Delivered by Ultima in partnership with Microsoft, this engagement is designed to help organisations entrust their teams to embrace the advantages of AI – safely, securely and sustainably – in an ever-evolving landscape.

Why choose Copilot Studio Vision and Value with Ultima?

Today's workforce is increasingly overwhelmed in a fast-paced and demanding digital landscape, facing challenges like increased data risks, a growing need for personalisation, solving complexities quickly and talent shortages.

At Ultima, we pride ourselves on upskilling internal teams to keep pace with the rapidly evolving world of AI solutions. As a Microsoft partner for over 32 years – holding all six of the key Microsoft Partner Designations across Security, Modern Work and Azure – our expert team are uniquely placed to deliver the best possible insight, tailored to your unique business needs.

Our proven methodologies, combined with our close partnership with Microsoft, ensure that you receive the highest quality service and support throughout your AI journey. Wherever it takes you next.

The process designed around you

The three-phases have been crafted by Ultima experts to guide you effortlessly to a new AI-powered business future...

Assess - Gather information on your AI readiness, potential business challenges and optional deeper-dive sessions of interest.

Build the vision - Experience the Art of the Possible and build a vision for innovation that aligns Copilot with your needs.

Plan for Value - Use objectives, key results and ideations to prioritise initiatives and benefits which are then reviewed in reports.

...and to ensure you walk away from this workshop with:

Alignment on the potential for extending Copilot or building your own Copilots in your organisation.

A prioritised list of key business initiatives that can be targeted for enabling Microsoft Copilot Studio.

Recommendations for objectives and target results alongside next steps.
